

The Cairo Community Center can be rented at an affordable rate because we ask each client to clean up after themselves.

This includes:

- **If tables are used, you must use plastic table covers**
 - Plastic tablecloth covers can be purchased at most major retail establishments, and the dollar tree. If the tables/chairs get dirty or sticky wipe off the mess before they are put away.
- **Taking out the garbage**
 - A dumpster is located behind the building. There are also trash bags in the kitchen. You do not need to replace the trash bags if the cans will not be used by you again. Take out all trash from your party/event/basketball.
- **Sweeping the floor**
 - We have several large brooms available. The stage and kitchen also need swept if they were used by your event/party/basketball.
- **Wiping/Mopping up any liquid spills**
 - There is a mop, and mop bucket in a small room through the kitchen. A mop sink is also available. Any liquid spills need cleaned up before you leave the facility. This includes in the kitchen, stage, and hallway as well as the gym floor.
- **Cleaning any messes made in the kitchen**
 - Next to the sinks there is a tote with towels that can be used for cleaning. Please leave dirty towels in the mop sink. Wipe down all counters used and clean out any remaining food from the sinks.
- **Putting all tables and chairs away as they were found**
 - On the wall in the table/chairs storage room there is a chart which shows how to put the chairs back onto their rack.

If you DO NOT attempt to clean the facility after your rental it may affect your rental status in the future. Thank you for your understanding on this matter. Please contact us with any questions or issues during your rental.
